

MODULE-III

(Assembling, Installation & Troubleshooting)

13. Installation all kind of software, operating system "including UNIX & LINUX and Application Programmes.
14. SMPS (Functioning & Troubleshooting)
15. Monitor and UPS (Function & Troubleshooting)
16. Virus Management

PLUS

- * Field training With Experienced Engineers.
- * Introduction to M.S. Office
- * Personality Development (Improving Communication Skill preparation for Interview, Problem solving)
- * Training of Marketing & Public Relation.

DIPLOMA IN MOBILE REAPPEARING

Duration : 3 Months

Fee :

Concept, Installation, Troubleshooting

1. Basic Electronics (Resistance, Capacitor, Diode, Coil, Transistor & IC)
2. Mobile Parts Testing from Multimeter
3. On/Off Switch, Charge Socket, LCD Connector, Ringer Removing & Fixing
4. Ballic, Making Installing & Removing Process
5. LCD Removing & Fixing
6. Patta Repairing SMD Component & PFO Installation
7. Installation of New IC
8. Ultra Sonic Clearance & accident Case
9. Ajumper Setting
10. Block Diagram Voltage Path, Logic Path, Signal Path
11. Common Running Fault Finding & Practicals
12. Checking Voltage of Mobile Set.
13. Mobile Software (Basic Computer, Downloading Flashing, Unlocking)

DIPLOMA IN NETWORKING

(Covers N+ Curriculum Win 98, Win 2000, XP, 2003)

Model – 1 Networking Basics

Cabling : Cross, Simple, Ras, Equipments-Hub, Switch, Network, Card, Modem
Implementation of Networking

MODEL – II

Networking in Microsoft Based OS
(Win-98, Win-2000, Win XP, Linux, Unix, Installation Oracle, Sql Server & Client, Win-2003.

CTTP

(Computer Teachers Training Program)

Duration : 12 Months

Fee :

★ Computer Fundamentals ★ Ms-Dos, MS-Windows
★ MS-Office (Word, Excel, Power-point, Access)
★ Internet, HTML ★ Java ★ C++ ★ D.T.P. (Photoshop, Coreldraw, Pagemaker) ★ Tally 7.2 & ERP 9.0
★ Hardware (Assembling / Installation & Trouble Shooting) ★ Teaching methods ★ Personality Development ★ Project

TTP (CF)

Teacher Training Program on Computer Fundamental

Duration : 6 Months

Fee :

★ Computer Fundamental ★ MS-Dos H MS-Windows
★ MS Office (Word, Excel, Powerpoint, Access)
★ Internet ★ Tally 7.2 & ERP 9.0 ★ DTP (Photoshop, Coreldraw, Pagemaker) ★ Teachings Methods
★ Personlity Development Skills H Project

CFA (Computerised Financial Accounting)

Duration 6 Months

Fee :

★ Computer Fundamental ★ MS-Windows ★ MS Office (Word, Excel) ★ Manual Account Concept
★ Classification of Account ★ All features of Inventory
★ All types of taxation (CST, VAT, TDS Service Tax etc.
★ Tally 7.2 & ERP 9.0

INTRODUCTION

आई. आई. टी. कम्प्यूटर्स का गठन सॉफ्टवेयर, हार्डवेयर नेटवर्किंग के अलवा मोबाइल रिपेयरिंग के क्षेत्र में रोजगारोन्मुखी शिक्षा प्रदान करने के लिए 27 अगस्त 1998 को किया गया ताकि अधिक से अधिक लोग कम पैसे में अत्याधुनिक तकनीक से कम्प्यूटर एवं मोबाइल रिपेयरिंग की शिक्षा लेकर बेहतर से बेहतर रोजगार पा सके।

यह संस्थान भारत सरकार, बिहार सरकार एवं झारखण्ड सरकार से पंजीकृत है और ISO 9001 : 2008 प्रमाणित है। अभी तक हमारे संस्थान के विभिन्न शाखाओं के द्वारा हजारों बच्चों को प्रशिक्षण दिया जा चुका है। प्रशिक्षण पाने वाले अधिकतर बच्चे सरकारी, गैर सरकारी एवं बैंकिंग, रेलवे एयरफोर्स, नेभी, सॉफ्टवेयर कंपनियों एवं मार्केटिंग के क्षेत्र में अच्छे पद पर कार्यरत हैं।

हमारा मुख्य उद्देश्य कम से कम शुल्क में बेहतर शिक्षा प्रदान करना है।

- निदेशक

100% Job Oriented Training

Short Term Practical Course

Low Fee & High Quality

Unlimited Practical Hours

Field training at no extra cost

Highly Experienced & Competent Faculties

Partner Network

COURSE STREAM

PC-Master

Duration : 3 Months

Fee :

Introduction of IT

- Concepts of Computer
- Working OS Windows
- MS-Office
 - Word, Power-Point
- Intro-Internet
- Projects
- Presentation
- Weekly Quiz
- Communication Skills & PD

PC-Programmer

Duration - 5 Months

Fee :

Fundamentals

- Concepts of Computers
- Windows
- MS-Office
 - Word, Excel, Power-point & Access
- Internet
- Project & Presentation
- Programming & Problem Solving through C with DS

DCA (Diploma in Computer Application)

Duration : 6 Months

Fee :

SEM - I

- Fundamentals of IT
- Understanding the Computer (An inside look)
- MS-Dos Data Processing
- Windows
- MS-Office
 - Word, Excel, Power-Point
 - MS-Access
- Internet
- Programming Logic Development Techniques
- Project & Presentation

Duration : 6 Months

SEM - II

Fee :

- Tally (Accounts, Inventory, Taxation)
- C,
- C++
- VB

Note : DCA Sem.-I & Sem-II is equivalent to ADCA

DTP

(Desk Top Publication)

Duration : 6 Months

Fee :

- Computer Fundamentals
- MS-Dos
- Windows
- MS-Office
 - Word, Power Point
- Page Maker 6.5, 7.0
- Corel Draw 13 & 14
- PhotoShop 6 & 7

COURSE STREAM

SPECIALIZATION IN HARDWARE

Duration : 3 Months

Fee :

Covers A+ Curriculum

MODULE - I

(Computer Hardware Basics & OS)

- Understanding the Computer (An Inside look)
- Operating system DOS, Windows 98, XP, etc.
- Mother Board in Details (-BUS, Chipset, BIOS, CMOS, etc.)
- CPU in Details (Types and Functioning)
- Memory in Details (Types & Functioning)
- Practicals Identification of Hardware Components

MODULE - II

(Detail Hardware Component of Peripherals)

- Magnetic storage devices (Types, functioning servicing and Repairing HDD & FDD)
- Optical Storage Devices (Functioning, Repairing) CD Drive, DVD Drive.
- Input Devices (Type, function, Installation and Repairing) Keyboard/Mouse
- CD Writing-Making Audio CD, Video CD, MP3 CD etc.
- Sound Card and VGA in Details
- Modem and Internet :
 - Concept, Installation & Troubleshooting
 - Email & Chatting
 - Configuring outlook Express and Eudora
 - Voice Chat, Video mail
