INTRODUCTION

IIT Computers is a Computer Training Institute where training is provided in different computer courses since last ten years. Our branches are situated in different districts of Bihar and Jharkhand State. The supervision of the branches are undertaken by competent authority and expert. The Institute is at Gajadhar Mandir (Bhuwan Plaza), Machhuatoli Chowk, Patna – 4 since its inception.

We are excited and thrilled to let you inform that taking inspiration from government Self Employment Scheme where are going to launch a new course “SESCOT” (Self Employment Scheme of Computer Oriented Technology). This course is separate for boys and girls as their syllabus a bit different taking consideration of their employment opportunity. The duration of this course will be 1½ years. The trained person will be an asset of their respective family.

This dynamic course is being started first of all by our Institute. Our course is based on to strengthen the Government manifesto of job guarantee to everyone. The fee structure is very low and flexible in monthly installment. The trained persons will be provided free of cost counseling by the expert & specialized authority of our Institute to identify the nature of job individually. No Age limit for this training but the minimum qualification of admission in the course is Matriculation.
